

### **League Bowler Information**

Here are some good pointers to make your season go smoother:

1. **Dues this season (2015-2016) are \$25 per bowler**...this is mainly due to the fact that USBC no longer supplies individual awards to the association...the association has to procure awards themselves.
2. All bowlers need to fill out a bowler sanction card for every league they bowl in...they only need to pay dues once, but need a card for every.
3. If you buy your membership online at [www.bowl.com](http://www.bowl.com), ensure you identify the Rheinpfalz Bowling Association as the association...if not, you will not show up in the RBA data system and will have to contact USBC to get things straightened out.
4. Please review the RBA Web Page at [www.rheinpfalzba.com](http://www.rheinpfalzba.com) for any additional information concerning leagues and other pertinent bowling information.
5. Please bring up any bowling center issues with your league board of directors and/or the bowling center staff. If the bowling center does not know something is wrong, they cannot get it fixed/corrected.
6. If a bowler from another association joins a league, they still are required to pay the RBA local dues of \$15 as long as their USBC membership is still current from their previous league/association.
