

## Rheinpfalz Bowling Association

### **Individual League Award Availability and Requirements**

The following awards will be available to all RBA bowlers (key chains/patches/magnets along with the wooden Mione mini-bowling pins). These awards are based on an average **after** 12 games have been bowled in league play. Limit one award per bowler per season. League secretaries will have to manually enter these awards into their record-keeping system. All you (league secretary) needs to do is enter the awards from the list below...once the awards is received, the RBA Association manager will determine which award(s) the bowlers are eligible for (key-chain/patch/magnet/pin).
